SUMMARY

Motivated Computer Science graduate with foundational skills in Python, HTML, CSS, JavaScript, and SQL. Experienced in developing web applications and managing databases. Strong problem-solving abilities and a passion for coding and continuous learning. Seeking an entry-level position to apply my technical skills.

EDUCATION

Master of Computer Application Graduating 2021 - 2023
Karpagam University 8.29 GPA
Karpagam Academy of Higher Education
Relevant coursework: Object-Oriented Programming

Bachelor of Science in Information Technology Graduating 2018 - 2021
Karpagam University 6.14 GPA
Karpagam Academy of Higher Education
Relevant coursework: Database Management Systems (DBMS)

TECHNICAL SKILLS

Programming Language: HTML, CSS, Javascript, Python, SQL

Web Development: HTML, CSS, Javascript

Databases: SQL

Tools: Pycharm, VScode

Version Control: Git

Operating Systems: Windows, Linux

PROFESSIONAL EXPERIENCE

Shiash Info Solutions, Chennai: Python Intern Sep 2022 – Dec 2022

- Proficient in programming language as Python
- Experience with relational databases (e.g., SQL, MySQL) and basic database design

ACADEMIC PROJECTS

Employee Management System (CRUD Application)

Implemented CRUD operations for seamless data creation, retrieval, updating, and deletion.

- Developed a CRUD (Create, Read, Update, Delete) web application using Django framework.
- Django models, views, and templates to manage and display data.
- Enabled user interactions for creating, reading, updating, and deleting data records.

E-Commerce Website

Utilized HTML, CSS, and JavaScript to build a fully functional e-commerce website.

- Developed an e-commerce website using HTML, CSS, and JavaScript.
- Designed responsive product pages with HTML and CSS for a consistent user experience.
- Implemented interactive features and dynamic content with JavaScript..

PROFESSIONAL TRAINING

QSpiders Training Institute, Velachery, Chennai: Oct 2023 – July 2024

- Completed comprehensive training in Python programming, covering basic to advanced concepts.
- Developed proficiency in Python syntax, data structures, and object-oriented programming.

CERTIFICATIONS

Great Learning

SQL for Data Science

- Gained proficiency in data retrieval, filtering, and aggregation using SQL.
- Developed skills in joining tables, subqueries, and set operations.
